A NURSE'S PRAYER

A NURSE'S PRAYER

Because the day that stretches out for me
Is full of busy hours, I come to Thee
To ask Thee, Lord, that Thou wilt see me through
The many things that I may have to do
Help me to make my beds the smoothest way.
Help me to make more tempting every tray.
Help me to sense when pain must have relief.
Help me to deal with those borne down by grief.
Help me to take to every patient's room
The Light of Life to brighten up the gloom.
Help me to bring to every soul in fear
The sure and steadfast though that Thou art near.
And if today, or if tonight, maybe,
Some patient in my care set out to sea
To face the great adventure we call death,
Sustain them, Father, in their parting breath.
Help me to live throughout this live-long day
As one who loves Thee well, dear Lord, I pray;
And when the day is done, and evening stars
Shine through the dark above the sunset bars,
When, quite weary, I turn to seek my rest,
Lord, may I truly know I've done my best.

EDITOR

Emily Troutman
SENIOR CO-EDITOR

It was an honor to be chosen as editor of this year's Cap n' Pin. I would like to thank all of the members of the annual staff for their hard work. I would like to especially thank my co-editors and typist for their extra work and effort, to make this annual possible. A special thanks goes to Mrs. Brooks and Mrs. Leddon for their guidance and support. I hope that as the students and faculty look back at this annual, they will have many pleasant memories of this school year. I wish to the Seniors much success in their nursing careers and to the Freshmen lots of luck as they complete their nursing education. As I complete my education, I realize how special and meaningful the past years have been. I will always have special memories of this school that will remain with me always.

Love, Kathin
